

David Lee
Machine Learning Engineer

Contact Information:

- Email: david.lee@example.com
- Phone: +1-777-888-9999
- GitHub: github.com/davidlee

Skills:

- Python
- TensorFlow
- Keras
- Deep Learning
- NLP

Experience:

Machine Learning Engineer | AI Solutions (2020 - Present)

- Developed machine learning models using TensorFlow and Keras.
- Implemented natural language processing (NLP) algorithms for text analysis.
- Worked on AI research to improve image classification models.

Education:

Master of Technology in Artificial Intelligence | PQR Institute (2018 - 2020)

Certifications:

- Deep Learning Specialization by Andrew Ng (Coursera)
